Commander's Report - September 2016

We're now approaching the Peak of Hurricane Season and as of today, the Atlantic is pretty busy and bears close monitoring. Let's hope September and October treat us well. Our August Meeting at the Little Tomoka Yacht Club on Hwy 40 was a very good evening. The food was good, reasonable cost and our XO, Brian Crusan, received his 25 year pin. A Squadron ABC course started on 20 August at the Halifax River Yacht Club and will finish up on 27 August.

Featuring the first of three speakers, September's regular membership meeting will be at the new Hooligan's on International Speedway. We'll have a private meeting room and it's on the ground floor - no stairs. Our guest speaker, is a return hit. Ms Dinah Voyles Pulver, environmental writer of the News Journal, will return to share some new information. Let's have a great turn out for the first membership meeting of the "new" season for us.

Remember, Brian (XO) and Mary Crusan have graciously decided to open their home for a POOL party on Labor Day, Monday September 5, 2016 - a national holiday. They'd like to see us between 5 and 9 PM to avoid the hottest part of the day. We'll have a bit of a cookout and there will be a bar, however, if you've got a personal beverage of choice, (Snapple, Glenfiddich, Makers Mark, etc) bring your own. Also, consider a side dish to share. More information to follow, but put this one on your calendar. It should be great fun and it is only a little over a week away.

Saturday, September 17, is the 28th Annual Halifax/Indian River Cleanup from 9 to 1130. "Volunteers can register online at volusia.org/cleanup through Sept 2." (News-Journal). Anyone interested in getting together for a clean-up?? Clean-up sites are located both on the beaches, and along the river from Ormond to New Smyrna Beach and Oak Hill. Call me if you're interested.

The D23 District Conference is fast approaching in October. The Conference includes a "Sea Story" Contest. You submit a written sea story to the Squadron for possible selection and presentation at the conference (the earlier the better). If selected, you'll get to orally present it during/immediately following dinner (15 minute max). D23 Theme this year is a Pirates' Halloween. So, anyone can attend Saturday's dinner and have a chance of winning recognition for yourrr pirateee outfit... ARRRREEE.

Lots of things going on and there's plenty of opportunity to participate. We need VSC examiners, students, instructors and even Squadron Officers to serve. Let's continue to press on and make our upcoming season a season of growth for each of us, as well as, for the Squadron. Most importantly, let's continue to get together both on and off the water to enjoy ourselves and our Squadron membership!

DISTRICT 23 GALAXY NEWSLETTER

Hello Everyone

It seems the squadrons have had both a busy and fun spring and summer. So far we have had pretty decent boating weather and you all are taking advantage of it from what I am seeing in social media and squadron newsletters.

There is a lot happening in D23 over the next few months.

Dianne and I along with XO D/Lt/C Ron Gagen and Judy and D/Lt/C Kurt Mikat will be attending the Governing Board in Pittsburgh, August 24-28. I will bring back a report to the district shortly after the meeting. I hope all squadron commanders will be attending but if you can't please give your proxy to a squadron member attending or to me.

The fall council meeting will be held Monday October 3rd. via GoToMeeting.

Please send any items of business to be brought before the council to me by September 16th.

The Daytona Beach Sail and Power Squadron are hosting the D23 fall conference the weekend of October 21-23, 2016. The theme is Halloween so get your costumes ready. Please see the D23 website and your squadron newsletters for more details.

The fall conference is also the time a number of awards are presented including winners of teaching aids. The awards manual for D23 is on the website www.uspsD23.org (resources section). Please take a moment to review the criteria and nomination time frame for each award. P/D/C Bill Fehr is the district awards chairperson. Please get your entries to him as soon as possible.

Merit mark nominations are due in early October. This is the way we recognize the hard work and time expended by our Squadron members supporting our organization and community throughout the year. Take the time to recognize these members and submit your nominations on time.

See you soon

Yours in safe boating
D/C Mark Adams, SN
