Commander's Report - June 2016

Hurricane Season 2016 has now begun! Review all your necessary preparations for boat, home and pets if you have them. Locate important papers. Identify your evacuation plans if appropriate for you. Keep an eye on the weather in the Atlantic/Caribbean/Gulf and be sure to let the weather channel and NOAA scare the crap out of you whenever there is a disturbance. Florida has been very lucky since 2005 and there is much concern by emergency managers that Floridians have “forgotten” what it takes to get ready. Please take some time and review your plans.

On a daily basis, Summer is Florida's thunderstorm season too. We are the lightning capitol of the US and being on the water with lightning about is not my idea of a fun activity. Watch the weather forecasts and plan your outings to minimize the chances of boating in severe weather (and any thunderstorm can be severe). Be sure to watch the skies for developing storms when underway, playing golf, or even working in your yard.

National Safe Boating Week has come and gone. Your Squadron activities included; VSC, a booth at the Daytona Beach Boat show, free electronic fire extinguisher training with the Bull-Ex and it finishes with an ABC Boating Course starting this weekend, 4 June. Thanks to our XO, Brian Crusan, PCO, Mary Crusan, Mike Stubbs, Cal Gordon, Jeff Wise, Rebecca Roman, Ron Gagen, Paul Martines, and Rita Wise.

Guess what???? You can be a VSC or an instructor. We need both and both fit our mission of boating safety and outreach. Come-on- get involved. I know that most are already experienced USPS members, but we have much to contribute. We've been there and done it. Do-it again!

June is the start of Summer activities, and we have a number of activities scheduled. Our June calendar includes: Executive Committee Meeting, outings for the Lunch Bunch, meeting at the Outrigger in New Smyrna Beach, as well as, a SUNDAY dinner and cruise at/ aboard Dolphin View on 12 June in New Smyrna Beach at 5:30pm dinner followed by cruise. This should definitely be fun with a Sunday dinner ashore at the Dolphin View in New Smyrna Beach and followed by a cruise. If this isn't fun, we're not doing it right (weather permitting)! Don't forget our get together at the Outrigger! Read the rest of the Beachcomber for details.

Secretary's Report - April 2016

A quorum was present with the meeting started at 0710 pm.

Treasurer's Budget was passed as the year's baseline and approved for presentation to the membership. A discussion on moving Building Fund monies to a 12 month CD was discussed and it will be researched and taken up at the next Executive Meeting.

National Safe Boating week was discussed with VSC, Halifax Boat Show, Fire Extinguisher and poster contest discussed. The Extinguisher System is being shipped and will arrive the week before the NSBW. The schedule will be: Boat Show, 20, 21, 22 May, the HRYC 27 May and the Halifax Harbor boaters' lounge on 28 May which is for DBSPS members and Halifax Harbor staff.

Vessel Safety Checks are also scheduled for Saturday, June 21st.

Boating ABC Class to be held on Saturdays, 4 and 11 June.

The Auxiliary will hold a Poster Contest for NSBW.

We'll plan a dinner cruise on the Dolphin View with dinner and a cruise on 12 June 2016. We will also have a casual dinner on 16 June at Riptides in New Smyrna Beach. The meeting was adjourned at 8:45pm.

Daytona Beach Sail and Power Squadron Auxiliary
June 2016

We had a sewing day on June 2, 2016 at the Wise Private School Classroom. We made two aquillows. Jennifer Kelly made us lunch. Everyone took something home with them to finish. Becky Roman showed us an easy way to make pillow cases with two different types of trim on them.

We had the judging of the Poster Contest for National Safe Boating Week. Tiffany Wise from New Smyrna Beach Middle School won first place, Elizabeth Corts took second and Amber Schneider from W.I.S.E. Private School got third. The posters are on display at West Marine.

On **Tuesday, June 7, 2016, 12:00 P.M.**, the “Lunch Bunch” will meet at Cici and Hyatt Brown Museum, 352 South Nova Road, Daytona Beach. **They will only take 60 people, and \$10.00 for the box lunch must be paid ahead of time. Please call Becky Roman at (386) 453-6456.**

We are still collecting aluminum cans and pop tops. Please ask family and friends to help.

Please continue to pray for our members who are sick or traveling.

Respectfully submitted,
Judy Tulner, President
Jennifer Kelly, Secretary

D23 Education Officer – Bud Newton SN-CN

United States Power Squadron Education Department is heading for the future!

The USPS Ed Dep is converting from printed manuals to electronic books. The transition will begin with Seamanship. All courses will eventually be converted. Initially, printed or electronic versions will be optional slimming down to “Print on Demand” for paper copies. The purchase price will remain the same, but the handling, postage and restocking charges will evaporate for the electronic version, and the delivery time will be greatly enhanced.

This evolution is going to change the class room requirements. We will need to provide re-charging stations for phones, tablets and computers for the students as well as instructors. Wi-Fi access may also be necessary for downloading the materials to student devices.

Practical On The Water seminar

POTW seminar is evolving and becoming free for dues paying members (this excludes free six month members). Instructional material are not required by dues paying members, so, the seminar is free. Non-members are required to purchase the POTW seminar kit.

The price of the seminar for members (boat rental, boat fuel, dock rental and launching fees along with transportation and lodging for an instructor) will be reimbursed by the On The Water committee. Estimates must be approved prior to the event. **No meals will be reimbursed.** Any mixed class (members and non-members) will not be reimbursed.

The POTW is upgrading to the same book as Boat Operator Certification Inland Navigator. BOC is available to members only.

The activity in POTW and BOC are similar, the difference is POTW is teaching the skills, the student doesn't have to master the skills: in BOC IN the student is expected to demonstrate mastery of the skills.
